

CANCELLATION & REFUND POLICY

Applicable to All Programs on myequation.in | roboai.in | edrive.myequation.in
Effective Date: 01/03/2026 | Last Updated: 13/03/2026

Note: This policy applies to all digital and physical programs offered by My Equation [™] (Tech Analogy Pvt. Ltd.) including Robo AI, E-Drive, ROS2, and all other programs.

1. General Policy

My Equation [™] (Tech Analogy Pvt. Ltd.) provides structured educational programs that require allocation of mentor time, infrastructure, and digital resources. Due to the nature of these programs, all enrollments are final.

All payments made toward any program offered by My Equation [™] are strictly non-refundable under any circumstances once the payment has been successfully processed.

By completing a purchase on any of our platforms, the learner acknowledges and agrees to this No-Refund Policy.

2. Cancellation by Learner

Learners may choose to cancel their participation in a program at any time. However, cancellation of enrollment does not qualify for a refund.

No monetary refunds will be issued once a payment has been completed.

The enrollment fee cannot be reversed, withdrawn, or transferred back to the original payment source.

3. Program Transfers (Alternative Option)

Although refunds are not permitted, My Equation may allow a one-time enrollment transfer under the following conditions:

- Transfer requests must be submitted before the program begins.
- The request must be sent via email to support@myequation.in.
- The requested batch must have available seats.
- Only one transfer is allowed per enrollment.
- The transfer must be utilized within 6 months of the original enrollment date.

No monetary compensation or refund will be provided for unused transfers.

4. Program Changes or Cancellation by My Equation

In rare circumstances where My Equation cancels a program, enrolled learners may be offered one of the following options:

- Enrollment in a future batch of the same program.
- Program credit that may be used toward another My Equation program.

My Equation reserves the right to modify schedules, instructors, curriculum, or delivery format if necessary. Such changes do not qualify for refunds.

5. Non-Refundable Cases

- Program enrollment fees.
- Access to digital learning content or recorded programs.
- Study materials, downloadable resources, or learning kits.
- Physical toolkits or materials once dispatched.
- Workshops, bootcamps, or webinars.
- Discounted, scholarship, or promotional enrollments.
- Missed sessions or learner absenteeism.

6. Refund Exceptions

My Equation does not provide refunds under any circumstances including but not limited to personal schedule changes, academic workload, relocation, technical requirements, or dissatisfaction after accessing the program.
